

HOTEL BELLEVUE

ISLAND LOŠINJ - CROATIA

The Hotel Bellevue is located in the greenest oasis of Mali Lošinj - the bay of Čikat. Surrounded by a centenary pine-wood and the company of graceful “old ladies” - as the elegant villas of the Austro-Hungarian era have become known - the bay of Čikat are historic sites of tourism on Lošinj. Indeed it was in this exact location that the local climate’s healing power was first discovered and promoted, benefits that you too can soon experience for yourself. Enjoy Mali Lošinj and Čikat!

The harmony continues inside the hotel, turning every moment of your stay into sheer enjoyment, from tasting the morning's first cup of your favourite coffee to conducting your business meeting in an ideal ambience.

A rest in the greenery of our atrium or a lengthy stroll across the hills of Sv. Ivan or Monte Baston will fill you with deep relaxation and pleasure.
